PIONEERS IN THE COMMUNITY

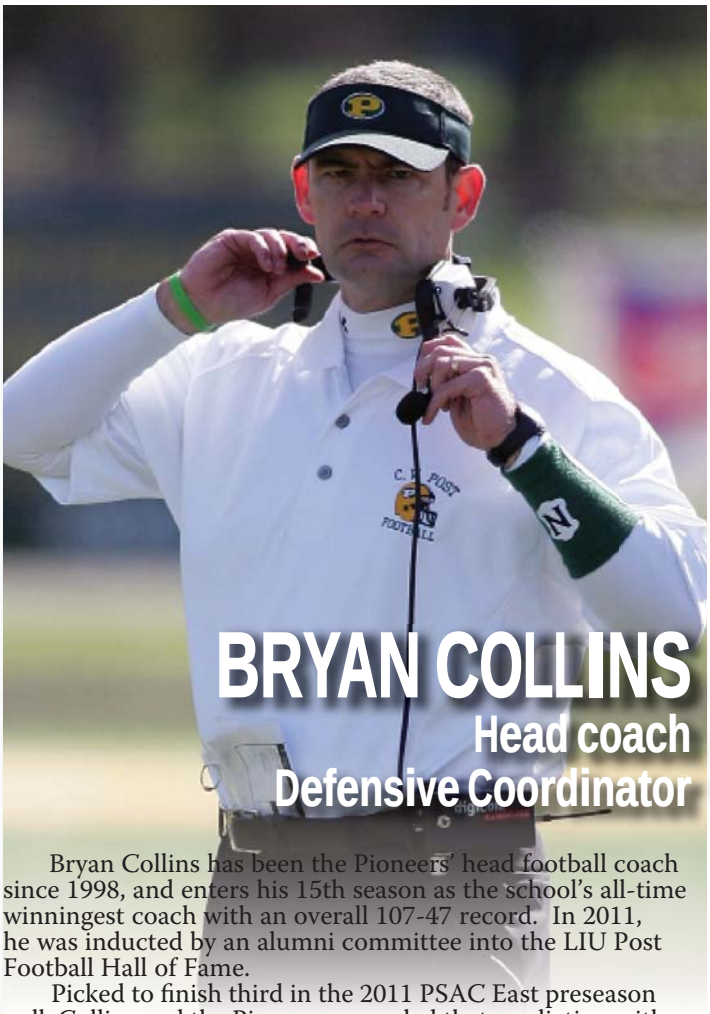

BRYAN COLLINS
Head coach
Defensive Coordinator

Bryan Collins has been the Pioneers' head football coach since 1998, and enters his 15th season as the school's all-time winningest coach with an overall 107-47 record. In 2011, he was inducted by an alumni committee into the LIU Post Football Hall of Fame.

Picked to finish third in the 2011 PSAC East preseason poll, Collins and the Pioneers exceeded that prediction with a 6-1 conference record to claim a share of the title with Kutztown. The Pioneers claimed one of their biggest wins in program history when they defeated previously unbeaten Bloomsburg, 24-21, on the road and in a snowstorm. Twelve players were named all-conference, including redshirt freshman Steven Laurino, who was also voted the PSAC East Rookie of the Year. Meanwhile, seniors Billy O'Connor, John Siopa, Lou Scala and Kevin Martin were recognized as D2PRODAY.com All-Americans.

The 2010 Pioneers recorded a 7-4 overall record and posted a 5-2 mark in the east that included a triple overtime win over West Chester - the first win against the Golden Rams since 2005. Under his guidance, the Pioneers were ranked second in the conference in total offense, averaging 428.7 yards a game and fourth in scoring offense with 33.5 points a game. On the defensive side, junior inside linebacker Billy O'Connor led the entire PSAC with 125 tackles, averaging 11.4 a game.

In just the second year competing in the Pennsylvania State Athletic Conference, Collins guided the team to a 6-5 overall record and 5-2 mark in division play in 2009, turning the team around from a 3-8 record a year earlier. In addition, junior quarterback Erik Anderwkavich was the ECAC Player of the Year and freshman Thomas Beverly was both ECAC and PSAC East Rookie of the Year. Junior defensive lineman Xavier Brown was also named an AFCA All-American.

Under his leadership, the Pioneers have become a perennial nationally-ranked squad that has won three undisputed Northeast-10 Conference championships and a share of another NE-10 title, as well as three times earning a berth in the NCAA Division II playoffs. The 2005 season was the most successful in the school record books, as the Pioneers won the first two NCAA Division II Championship tournament games in the program's history in advancing to the national quarterfinals. LIU Post hosted its first NCAA game since 1976, and won a 24-20 decision over visiting West Chester (Pa.) on a game-ending, 96-yard drive. One week later, the Pioneers traveled to top-seeded Shepherd (W. Va.) and beat the sixth-ranked Rams to advance to the quarterfinals. LIU Post was ranked 22nd nationally at the end of the year by the AFCA, and four players garnered All-America accolades from numerous publications. The Pioneers were named the Division II Team of the Year by the ECAC and CollegeSportsReport.com.

Throughout his coaching career, the backbone of Collins' game plan has been a strong defense, a philosophy that has resulted in LIU Post defenders leading all Division II teams in fewest rushing yards four times, the most recent coming during the 2004 campaign. Collins-led defenses have also topped the Division II list for defensive pass efficiency in 2003, as well as earning the top spot in total defense twice.

The continued success enjoyed by Collins was noted in the November 2003 issue of American Football Monthly, which noted the 47-year-old mentor's ability to develop a program in a two-page feature article. The publication's Video Series program also acknowledged his talent on the defensive side by featuring him in a trio of instructional videos on the 4-4 defense.

Collins led his 2004 Pioneer squad to its second NCAA berth in three years, becoming the first LIU Post head football coach to make a return trip to the NCAA postseason. At the conclusion of the season, eight Pioneer players were awarded All-Conference recognition, including six selections to the First Team unit.

In addition to those awards, the team's defense was recognized for the fifth year in a row with the second straight selection of linebacker Joe Gangemi as NE-10 Defensive Player of the Year. Peter Lazare also picked up his second consecutive Defensive Lineman of the Year award from the conference, while tackle Taibika Hickson was tabbed as the NE-10's Offensive Lineman of the Year.

One year earlier, the team finished 9-2, winning their final eight games. Combining a balanced offense with a typically stingy defense, the Pioneers bridged the gap to achieve success in a year that many thought would be dedicated to rebuilding after sustaining major losses from graduation on both sides of the line.

In 2002, the Pioneers reached the Division II NCAA playoffs, competing as the only non-scholarship squad among the 16 competing teams and ending the year with their second straight 11-1 record. His efforts in 2002 resulted in his being named Regional Coach of the Year by the American Football Coaches Association and Coach of the Year by the Northeast-10 Conference.

In addition, the team's rushing defense was ranked as the top unit in Division II for the third consecutive season, while total defense and scoring defense also were statistically established as the best in Division II. The total defense accolade was the second time LIU Post has won the honor over the past three years.

One indication of the team's defensive prowess in 2002 was the seven games in which Pioneer opponents scored less than 10 points, including four shutouts. Another was the fact that after the first seven games of the campaign, the defense had scored more points than it had allowed.

In 2001, Collins' squad established a new school high in scoring with 488 points, combining a powerful running game and effective passing attack with a relentless defense that col-

HEAD COACH BRYAN COLLINS

lected an amazing 66 sacks on the year.

That potent 2001 offense had both a quarterback (Frank Ingoglia) and running back (Ian Smart) who collected more than 2,000 yards of total offense. In addition, the Pioneer special teams unit returned two kickoffs and three punts for scores, while also blocking a punt that was converted for six points.

For those efforts, Collins was named 2001 Division II Mid-Major Coach of the Year by Football Gazette magazine, having previously been named twice as Eastern Football Conference Coach of the Year in 1999 and 2000. The latter two awards were in recognition of the team's consecutive Atlantic Division championships.

Following the 2000 campaign in which the Pioneers won their second-consecutive Eastern Football Conference title, all four LIU Post starting defensive linemen were recognized with postseason hardware, a nod to their standout performances. That accomplishment was acknowledged by American Football Monthly magazine, which tabbed Collins as its Division II Defensive Coordinator of the Year in its September 2001 issue.

The aforementioned running game has been the hallmark of Collins' offense since his arrival. Following a 7-3 mark in his first year, Collins made the team's offensive backfield a top priority. The result was a 1,000-yard rusher (Rick Haering) in 1999, the school's first pair of 1,000-yard rushers in 2000 (Haering and Smart) and the leading rusher in all of college football (Smart) for 2001.

Smart ended his collegiate career as the all-time leader in touchdowns (95) and scoring (570 points) and yards per carry (7.58). He also finished as the #4 rusher in college football history with 6,647 yards, despite being removed from countless games due to lopsided scores in favor of LIU Post.

Collins has been a part of the Pioneer program for nearly a decade. He spent five seasons as an assistant coach with the Pioneers, including 1996-97 as the team's defensive coordinator under former LIU Post tutor Tom Marshall.

A 1987 graduate of St. John's University, Collins played linebacker for four seasons. Following graduation, he served for three seasons as an assistant coach at St. Francis Prep, during which time the Little Terriers captured three Catholic League championships.

Collins served as an assistant defensive coach with LIU Post from 1991-93, helping the Pioneers to the 1993 ECAC IFC Division II Championship, the first postseason win in the history of the program. He then accepted the defensive coordinator position at Kings Point, where he led the Mariners to their first ever NCAA Division III Tournament berth in 1994.

Returning to C.W. Post prior to the 1996 season, Collins spearheaded the Pioneer defense to the ECAC/IFC Division II Championship with a 29-0 win over Bentley. That season, seven of LIU Post's defensive starters were named to either the ECAC IFC All-Star Team or the Don Hansen's Football Gazette All-Star Team.

The following year, Collins' defensive skills were again on display as opponents managed only 49 points over the final seven games of the 1997 season (7.0 points per game) while the Pioneer defense did not allow a touchdown in three of its last four contests.

Collins currently serves as a member of three committees for the American Football Coaches Association: the Rules Committee, the weekly coaches' polls and All-America selections. In addition, he had an article published in the organization's 2001 journal titled "When It Counts - Goal Line Defense: We're All There."

In May 2002, Collins authored another article for the publication entitled, "Roll Call at the Ball," imparting his knowledge of defensive tactics.

He has also met with and assisted the National Football League in the New York area with its High School Player Development program, which seeks to foster increased interest in the sport along with supplementing the football budgets of schools. He has also worked with the National Football Foundation (New York City chapter) in enhancing its Play It Smart campaign.

Prior to being appointed Director of Athletics, Collins served during the 2005-06 academic year as an assistant director of athletics at LIU Post. He was instrumental in helping the Brookville, N.Y. school to acquire FieldTurf for Hickox Field, which gives all Pioneers athletics programs the opportunity to practice and play on an all-weather surface virtually year-round. Next season, the Pioneers plan to play in a newly renovated stadium that will feature a state of the art pressbox and brand new bleachers with more comfortable seatback chairs.

Collins and his wife, Patti, reside in Sayville, N.Y. with their son, Tyler (17), and daughter Megan (12).

BRIAN HUGHES
Offensive Coordinator

The 2012 season will mark the 15th campaign in which Brian Hughes has served as offensive coordinator at LIU Post.

The 2011 Pioneers posted their best record since joining the PSAC in 2008 as they finished at 7-4 overall and 6-1 in the PSAC East to claim a share of the division title. In addition, LIU Post was fifth in offensive rushing and first downs. Steven Laurino was named both the PSAC Freshman of the Year as well as the ECAC Rookie of the Year.

The Pioneers enjoyed a breakout season in 2010 and were ranked in the top five in nine offensive categories, including three top rankings in first downs, third down conversion percentage and total offensive plays. They ranked fourth in scoring offense and averaged 33.5 points a game while also averaging 428.7 yards a game. Quarterback Erik Anderwkavich paced the offense, averaging 239.6 passing yards a game. Much of the passing success fell into the hands of Darnel Williams, who averaged 87.5 yards a game. On the ground, LIU Post carried the ball well with the combination of Thomas Beverly, Anthony Brunetti and Jeffrey Mack averaging 189.1 yards a game.

In 2009, the Pioneers were the top rushing team in the entire PSAC (214.5 yards per game) and fourth overall in total offense (397/gm.). Anderwkavich was the ECAC Player of the Year and Beverly earned Freshman of the Year honors from both the ECAC and PSAC. LIU Post finished the last five games of the season outscoring its opponents by an average of over 16 points a game.

In 2005, he directed the Pioneers to top-10 national rankings in Division II in total offense (fourth – 517.8/gm.), scoring offense (fifth – 42.5 ppg) and rushing offense (ninth – 269.9/gm.), helping LIU Post to its first-ever NCAA Division II Championship quarterfinals appearance. Under Hughes's tutelage, offensive lineman Steven Broecker and quarterback Rob Blount garnered All-America accolades following the record-setting season in which the Pioneers set school records for points (552), rushing yards (3,509), total offense (6.731) and touchdowns (77).

Hughes, the Pioneers' offensive line coach, coached the eventual Northeast-10 Conference Offensive Lineman of the Year – Broecker in 2005, and Taibika Hickson in 2004. Blount was named the NE-10's Most Valuable Player in 2005. During that span, the Pioneers advanced to the NCAA Division II Championship tournament in three of those last four seasons.

In 2005, Hughes was named the Division II Assistant Coach of the Year by the American Football Coaches Association.

In the 1999-02 span, Hughes game-planned his offense around standout running back Ian Smart – one of only four running backs ever to rush for 2,000-plus yards in a season twice, and an athlete who played for the NFL's Tampa Bay Buccaneers and the British Columbia Lions of the Canadian Football League. The Pioneers' trip to the NCAA Championship in the 2002 campaign was the school's first appearance since the 1976 season.

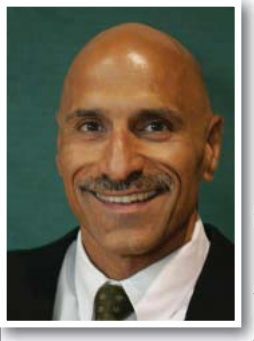

Hughes, who also coached LIU Post's offensive line from 1993-94, spent the 1995-96 seasons at the U.S. Merchant Marine Academy (Kings Point, N.Y.), where he was the Mariners' linebackers, special teams, and strength and conditioning coach. The Mariners won a pair of ECAC titles during his stay at USMMA.

Hughes, who also serves as Associate Athletic Director for Business Operations at LIU Post, is a 1988 graduate of Hofstra University, where he earned his bachelor's degree in Geology. He then received a master's degree in Earth Science in 1994 from LIU Post – where he has served as an adjunct professor in the Earth and Environmental Sciences Department.

Hughes resides in Bethpage, N.Y. with his wife, Cynthia, and four daughters.

COACHING STAFF

MARK VERDI
OUTSIDE LINEBACKERS
27TH SEASON

As the dean of Pioneer assistants, 27th-year assistant coach Mark Verdi tutors outside linebackers and, as director of football operations, supervises game-day set up. He also helps the program with in-season recruiting.

Under Verdi's guidance, the linebackers have played an important role in the Pioneers' success. Among the many players he has coached recent Hall of Fame inductee, Brian Herbert, and current inside linebacker coach Randi Moore.

Prior to his arrival at LIU Post, Verdi coached for two seasons as both the offensive backfield and linebackers coach at St. John's University. During his time there, one of his top players was Bryan Collins, today the Pioneers' head coach.

Verdi began his coaching career at the high school level in the fall of 1981 as defensive backs coach for his alma mater, Holy Cross High School. He followed that with two years as defensive coordinator at Cardinal Hayes High School.

Verdi is an instructor for earth and environmental sciences at Archbishop Molloy High School in Briarwood, N.Y. He is the proud father of daughter, Taylor Anne (11).

ERNIE BLOUNT
DEFENSIVE BACKS
14TH SEASON

Now in his 14th year with the Pioneer coaching staff, Ernie Blount has been in charge of the team's defensive backs for the last nine seasons.

In 2009, the LIU Post secondary unit ranked first in the PSAC in pass defense efficiency.

During the 2005 campaign, Blount's pass-defense unit played a major role in the Pioneers' overall defense, the best in the Northeast-10 conference and one of the best in all of Division II in 2005. In 2003, the Blount-led Pioneers ranked first nationally in passing defense.

Blount's flexibility as a mentor saw him begin his LIU Post coaching career with three seasons as a wide receiver coach. Two players who served under his guidance, Eddie Hardaway and Jeremiah Pope, were invited to NFL training camps. This past season, 2007 graduate Jamel Ramsay played for the Preorie Pirates.

In six years of coaching at Baldwin High, Blount helped lead his team to a trio of playoff appearances and also coached in the Nassau County All-Star game.

Blount and his wife, Chavonne, reside in Freeport, and have four children: Ernie, Eric, Elliott and Courtney. He attended Brooklyn College.

JIM GIBBONS
DEFENSIVE LINE/ SPECIAL TEAMS
16TH SEASON

Jim Gibbons enters his 16th season as special teams coach, and second as defensive line coach – the most recent entries on a resume that also includes coaching Pioneer quarterbacks, tight ends and the offensive line.

Additionally, he serves as LIU Post's field scheduling coordinator and as the athletic department's community service liaison.

Under his tutelage, the special teams unit has become a potent force, returning punts and touchdowns for scores, blocking kicks and forcing fumbles. In 2011, the Pioneers led the entire PSAC in sacks with 40 with Kadeem Huggins leading the team with nine. In 2009, Gibbons' veteran D-Line recorded 27 sacks and senior Xavier Brown was named AFCA All-America.

At the high school level, Gibbons coached from 1990-94 at Fort Hamilton in Brooklyn, N.Y., where he helped his squads win a pair of Class B New York City Championships. He then moved on to Westhampton Beach before arriving at C.W. Post.

Gibbons resides in Massapequa, N.Y. with his wife, Kerri, and the couple's three children: daughter Brianna (17) and sons Shane (14) and Garrett (12).

JONATHAN GILL
QUARTERBACKS
EIGHTH SEASON

Now in his eighth season as the LIU Post quarterbacks and wide receivers coach, Jonathan Gill returned to his Long Island roots in 2004 after competing for four seasons at quarterback with the University of Akron Zips.

Gill, who also serves as the team's strength and conditioning coach, was instrumental in helping develop the play of honorable-mention All-America signal-caller, Rob Blount. The 2005 Northeast-10 and ECAC MVP, Blount's 2,995 passing yards during the team's national quarterfinals run are the most in Division II history by a back who totaled 1,000 yards rushing in the same season.

Gill played a key role as a member of Akron's scout offense in the 2001 campaign, and his duties helped aid the Zips' defense in holding opponents to 17 points or less in seven games that year.

The Flushing, N.Y. native was a talented two-sport athlete at St. Francis Prep in Queens. He earned All-City and All-Conference recognition on the gridiron, before competing in the New York City Senior Bowl.

OMAR KING
RUNNING BACKS
SIXTH SEASON

Omar King enters his sixth season with the Pioneers and works with the running backs.

In 2009, freshman Thomas Beverly was named ECAC and PSAC East Rookie of the Year after leading the PSAC in overall rushing yards with 1,094 and finished second in rushing yards per game with 99.5.

Prior to LIU Post, King was a running backs coach at Iona College, where he helped guide Metro Atlantic Conference Player of the Year Dane Samuel, who rushed for 698 yards and four touchdowns in 2006. King also coached former Gael RB Nat Modica to a MAAC Football Offensive Rookie of the Year honor in 2003 while standout Rudy Arcara became just the third player to record a 1,000+ yard rushing season in 2004.

In 2008, King was selected by the NCAA Diversity and Inclusion Committee to participate in its NCAA Football Coaches Academy. The mission of the Academy is to assist ethnic minority football coaches with career advancement through skills enhancement, networking and exposure opportunities while raising awareness regarding the substantial pool of talented ethnic minority coaches.

Prior to Iona, King spent three seasons at Holy Cross H.S. in Flushing, N.Y., serving as both running backs coach and offensive coordinator.

King was a 1998 graduate of Hofstra University, lettering at running back for two seasons.

He also served as the GED coordinator at the Rikers Island Educational Facility, helping to train and prepare at-risk students for their graduation equivalency diploma. He and his wife, Catherine, and their two children, Dajhanea and Jamar, reside in Central Islip, NY.

RANDI MOORE
INSIDE LINEBACKERS
SIXTH SEASON

Randi Moore enters his sixth year at LIU Post and is in his second season coaching the inside linebackers. Moore previously coached the outside linebackers.

Prior to C.W. Post, Moore spent three years at Holy Cross High School, where he spent two years as linebackers and one year as the junior varsity head coach.

Moore is a 2002 graduate of C.W. Post and played outside linebacker for four years and was a three-year starter. He helped lead the Pioneers to a 11-0 regular season record in 2002. Moore received his bachelor's degree in elementary education. He is a special education teacher in Far Rockaway, N.Y. He and his wife, Tia, are the parents of Shayla (7), Shianne (2) and Sáde.

DAN MACCARONE
VIDEO MANAGER
THIRD SEASON

Dan Maccarone enters his third season as a manager with the Pioneers, where he is focused mainly on video processing of practices and game film.

Last season, he expanded the video capability at LIU Post with an all-new system for breaking down film and delivering it to coaches and athletes.

Maccarone graduated in 2010 from Hofstra University with a bachelor's degree in Video/TV Production with a minor in computer science - two elements he combines daily in his work for the Pioneers.

CHARLIE CANTOR
WIDE RECEIVERS
FIRST SEASON

Charlie Cantor begins his first season working with the wide receivers at LIU Post.

Cantor's resume is extensive with numerous coaching experience at Division I-level programs, including Florida State, Rutgers, Georgia. His most recent stop was at Middle Tennessee, where he worked with the offense.

While at Georgia, Cantor served as the assistant recruiting coordinator and spearheaded the day-to-day recruiting coordination. At Rutgers, he worked as a recruiting assistant from Spring 2007 to Spring 2008.

Cantor, a native of New Hyde Park, attended Florida State, where he was a dual major in Social Science Education and Sports Management. He is working on completing his master's degree in sports management from FSU.

SEASON OUTLOOK

After being selected to finish third in the 2011 PSAC East preseason poll, the Pioneers turned heads and finished with a 6-1 conference record to tie for first place in the East division, which included an unforgettable 24-21 win during a snowstorm against a previously unbeaten Bloomsburg. The Pioneers were the closest they have ever been to playing for a PSAC championship since joining the league in 2008.

This season, 15-year head coach Bryan Collins and his squad look to battle again for a league title and return to the postseason for the first time since 2005.

Offense

The offense is primed with talent, including four returning all-conference players, and has the depth and experience to put points on the board. The Pioneers know they will have to be aggressive on the field and create opportunities.

Quarterback

The Pioneers return with redshirt sophomore **Steven Laurino** (Boise, Idaho), the PSAC East Rookie of the Year, at the center position. Laurino is described by Collins as a "student of the game" with his constant hard work and game preparation. In his first season at the helm of the offense, Laurino established himself on the field with his ability to not only throw the ball well but also provide a good running base as he passed for 1,870 yards and rushed for 764.

Sophomore **Tyler Heuer** (Oceanside, N.Y.) looks to gain a stronger foothold at the position. He earned a spot start last season against California (Pa.) and is awaiting a medical redshirt.

Freshman **Matt Brennan** (Sayville, N.Y.) is tall and athletic with a strong arm and will be vying for playing opportunities this season.

Running Back

The backfield is one of the strongest features of the 2012 squad as it returns its top three running backs in senior **Thomas Beverly** (Wyandanch, N.Y.) and juniors **Jeff Mack** (Bronx, N.Y.) and **Anthony Brunetti** (Bayville, N.Y.).

Mack delivered strong performances on the gridiron last season, rushing for a net gain of 865 yards and eight touchdowns, which earned him PSAC East Second Team honors. He has improved in blocking and can score from any position.

Brunetti picked up some tough first downs for the Pioneers and accrued 324 yards and four touchdowns last season. He is a great blocker with good hands and also has the ability to pick up tough yards inside.

Beverly has been a steady performer throughout his career with the Pioneers and will look to finish it on a high note.

Freshman **Kareem Folkes** (Brooklyn, N.Y.), who was named both the MSG Varsity and New York Post Player of the Year while playing at Lincoln, will be learning the system this year in preparation for the future.

Wide Receivers

LIU Post has plenty of options with 11 wide receivers at the position, including veterans Grayson Laurino (Boise, Idaho) and **Joe Botti** (Holtsville, N.Y.).

Laurino, who was his brother's favorite target last season with a team-high 33 catches for 443 yards and three touchdowns, has flourished as both a receiver and punter on the team and Collins foresees him having a great year.

Botti was injured during the first three games of 2011 but came back and led the receivers with five touchdown catches, including two against East Stroudsburg. His height enables him to pull down almost any pass thrown his way and his great speed and hands have made him a game changer on the field.

Redshirt junior **Kyle Hardy** (Matawan, N.J.) has been a reliable receiver and was second on the team with 319 yards and three touchdowns. He played in all 11 games last season and has developed tremendous speed.

Sophomore **Wes Foryoh** (Staten Island, N.Y.) had an outstanding freshman campaign, as he hauled in 22 catches in eight games last season. Senior **Ryan Derham** (Lindenhurst, N.Y.) made some big catches as well, including a TD completion at Bloomsburg. Redshirt sophomore **Kamron Palmer** (Brooklyn, N.Y.) saw limited action in 2011 but will be a player to watch for.

Redshirt sophomore **Chris McGrane** (Lynbrook, N.Y.) and senior **Matt Sheehy** (North Brunswick, N.J.) are veterans of the program and will be competing for playing time.

The Pioneers will also have three outstanding freshmen who will look for playing opportunities this season. **Tom Hannan** (Bohemia, N.Y.), **Shane Hubbard** (St. Albans, N.Y.) and **Mike Richardson** (West Babylon, N.Y.) were high school all-stars and will look to make the transition to the collegiate level.

Tight End

Senior **Pat Fitzgerald** (Asheville, N.C.) caught four passes for 47 yards last season and has the toughness to play the H-back position. Redshirt sophomores **Brendan Dorfer** (Floral Park, N.Y.) and **Chris Rossi** (Hillsborough, N.J.) will look for starting time this season.

Freshman **Sean Binckes** (Brooklyn, N.Y.) was the top player in New York City last season and has all the makings to be the future tight end for LIU Post.

Offensive Line

The graduation of PSAC All-Conference linemen John Siopa and Kevin Martin will be felt but returning seniors **Chris Williams** (Syosset, N.Y.), **Rob Scheuerer** (Farmingdale, N.Y.) and **Willie Mayoral** (La Habra, Calif.) can set up solid protection and leadership up front.

Williams and Scheuerer are two of the hardest working players on the team. Mayoral is quick and athletic and comes into the season primed after a year playing in the system.

A duo of transfers from nearby Nassau Community College that includes **Justin Robbins** (Plainfield, N.J.), **James Butler** (Levittown, N.Y.) and will add valuable game experience at the line. Robbins is best suited at the guard position. Butler is a former defensive lineman who will switch over to offense this season.

Redshirt junior **John Corrigan** (Stockholm, N.J.) has battled injuries during his time with the Pioneers but is looking to use his talent and provide solid protection this season.

Redshirt freshman **Christian Neptune** (Westbury, N.Y.) has gained more experience in the system and will have a reserve role.

Mike Sollenne (Massapequa, N.Y.), **Keith Mittenzwei** (Staten Island, N.Y.), **Matt Carroll** (Tarrytown, N.Y.) and **Frank Fassman** (East Patchogue, N.Y.) are four solid freshmen who will push for reps at the line.

Defense

The defense is the biggest question mark for the 2012 squad as the Pioneers graduated a significant number of all-stars from 2011, including ILB Billy O'Connor, DL Lou Scala, OLB Ronnie Modik, DL Kadeem Huggins, DL Andrew Jackson, and DL Abrom Shepard. This could, however, open up more opportunities for up-and-coming players to gain notice during preseason camp.

Defensive Line

Sophomore **David Sumter** (Hollis, N.Y.) and redshirt sophomore **Dan Belfiore** (Glen Cove, N.Y.) are penciled in to start on the front line. Redshirt junior **Maalik McVea** (Freeport, N.Y.) will move over from linebacker while redshirt freshman **Brandon Cheney** (Hewlett, N.Y.) will move up to defensive end. Sophomore **Joseph Thompson** (Cambria Heights, N.Y.) showed promise during the spring and plays well within the system.

Freshmen **Kevon Barnwell** (Brooklyn, N.Y.), **Kenny Scotland** (Port Jefferson, N.Y.) and **Anthony Turano** (Massapequa Park, N.Y.) played for good high school programs and could also see playing time in 2012.

Linebackers

Junior **Rob Bright** (East Meadow, N.Y.) and senior **Anton Rukaj** (Greenburgh, N.Y.) can both provide a physical presence in the middle. **Julian Santiago** (Selden, N.Y.), **Chris Hercules** (Lawrence, N.Y.) and **Dylan Cafarella** (Albertson, N.Y.) are promising freshmen who will learn the system.

Secondary

The secondary unit looks to be strong and can derive its success in forcing opponents to be aggressive up front.

Senior **Antonio Powell-Fields** (Hempstead, N.Y.) is the leading returner in tackles with 75 (33u, 42a) from a year ago

Senior **Laquan James** (Syracuse, N.Y.) will compete with redshirt junior **Casey Biasi** (Islip, N.Y.) at free safety. Junior **Chris DiIorio** (Holtsville, N.Y) and freshman **Mike Williams** (Westbury, N.Y.) will see significant playing time at strong safety. Freshman **James Rupp** (Sayville, N.Y.), who was an all-Long Island player at Sayville, will provide back up at safety.

Cornerback

Senior **D.J. Young** (Highland Mills, N.Y.) returns as the starting cornerback. Young registered 31 tackles (24u, 7a) in 2011, including a career-high nine against American International.

ANTONIO POWELL-FIELDS

Senior **Ciwan McCoy** (North Babylon, N.Y.) and sophomore **Devon Levesque** (New London, N.H.) will split time at cornerback.

Junior **Donovan Edwards** (Brooklyn, N.Y.) returns following a year playing at Nassau. Edwards totaled 23 tackles (14u, 9a) in 2010 along with two interceptions and two fumble recoveries.

Special Teams

Freshman **Tim Sternfeld** (Wyckoff, N.J.) is a highly touted kicker who will handle field goal and kick off responsibilities. Grayson Laurino returns as punter. Foryoh will remain as the top kick and punt returner.

GAME 7
Oct. 15, 2011 – Eiler-Martin Stadium
LIU Post 34, East Stroudsburg 30

EAST STROUDSBURG, Pa. (Oct. 15, 2011) – LIU Post rallied to win its fourth straight game as it pushed aside East Stroudsburg, 34-30, in a Saturday afternoon PSAC East matchup at Eiler-Martin Stadium.

Redshirt freshman Steven Laurino had a career day as he completed 23 of 31 pass attempts for 332 yards and three touchdowns and ran for an additional 131 yards to lead the Pioneer offense.

The Warriors got on the board first with 11:57 to play in the first quarter when Taylor Groff's 43-yard field goal attempt sailed through the uprights.

The Pioneers answered back when with a 37-yard completed pass from Laurino to sophomore wide receiver Kyle Hardy with 6:12 to play in the quarter. The drive started when Rob Bright intercepted a pass from quarterback Ray Wagner and returned it to ESU's 30-yard line.

The Warriors were back on top in their next drive as Ray Wagner completed a 73-yard pass to Jordan Hallman with 4:47 to play.

The Pioneers were close to scoring their second touchdown at the end of the first but the Warrior D-line held up and kept them out of the endzone.

The missed opportunity proved costly as the Warriors scored another touchdown early in the second quarter as Robert Bleiler caught a 61-yard pass and dodged the tackle and coasted into the endzone.

The offense kept rolling for East Stroudsburg as the hosts furthered their lead to 23-7 when Hallman caught his second TD of the day for 75 yards.

LIU Post regained its composure midway through the second and reeled off three straight scores, beginning with a 33-yard completion from sophomore Joe Botti at 8:56.

Then, with 1:58 left to play, sophomore running back Jeff Mack rushed in from the 18-yard line to cut the lead down to 23-21 in favor of the Warriors.

The final touchdown of the half was scored with seven seconds remaining on the game clock and Laurino zipped and dodged tackles and scrambled to let loose a hail mary pass from the 44-yard line that fell into the steady hands of Botti in the endzone, causing an eruption of celebrating on the Pioneer sidelines as the clock wound down. LIU Post had a 28-23 lead.

At the half, Laurino had 198 passing yards on 14 completions. Botti caught three of those for 89 yards and two touchdowns while Kyle also had three passes for 59 yards. Mack amassed 65 rushing yards and one touchdown.

In the third quarter, the Pioneers added three more as freshman Marc Montana kicked a 21-yard field goal at 10:19 to increase the Pioneers' lead to 31-23.

The game went without a score for the next eight minutes of play before ESU scored a touchdown on a Thomas Tippett 1-yard run at 2:13 that slimmed LIU Post's lead down to 31-30.

In the fourth quarter, the Pioneer defense, who had already made three interceptions for 85 yards that included a 50-yard return from senior defensive tackle Lou Scala, forced another turnover when junior cornerback Ciwan McCoy intercepted another pass attempt from Wagner at the LIUP 42 that started up another Post drive. The Pioneers brought the ball down to the ESU before Montana kicked his second field goal of the day to record the game's final score.

LIU Post totaled 536 yards of offense on 86 plays and maintained possession for 38:33 minutes on the game clock. East Stroudsburg amassed 527 yards on 55 plays.

Aside from Laurino, other Pioneers had terrific game stats. Botti finished with eight catches for 173 yards and two touchdowns while Mack finished with 102 yards on 23 rushes.

The Pioneer defense finished with five interceptions totaling 85 yards. Senior inside linebacker Billy O'Connor led with six tackles.

ESU's Hallman led the game in receiving yards with five catches for 239 yards. Wagner completed 24 of 40 pass attempts for 503 yards and three touchdowns. Thomas Chesko led the Warrior defense with a game-high 14 tackles, including a six-yard sack.

The loss to the Pioneers was a spoiler of sorts to East Stroudsburg head coach Denny Dowds, who is tied with the all-time record for games coached in Division II at 393 games. Likewise, LIU Post head coach Bryan Collins coached in his 150th career game.

Kutztown 42, LIU Post 30

BROOKVILLE, N.Y. (Oct. 22, 2011) – No. 19 Kutztown University spotted itself a 21-0 lead in the first half and that made the difference as the Golden Bears held off LIU Post for a 42-30 win Saturday afternoon in a PSAC East clash on Hickox Field.

Kevin Morton passed for 458 yards and three touchdowns to lead the Golden Bears to victory. In all, Kutztown racked up 576 yards of offense on 74 plays.

LIU Post got its offense down in the second and got on the board when freshman Marc Montana kicked a 37-yard field goal at 8:14. The Pioneers scored their first of two touchdowns in the half when Laurino completed a pass to sophomore Kyle Hardy at 2:01. Their second TD came with 44 seconds remaining and sophomore Anthony Brunetti broke through on a 2-yard dash.

At the half, Kutztown was ahead, 21-17.

In the third quarter, Kutztown scored in the opening drive as Mastromatto carried the ball in from the LIU Post 2-yard line.

The Pioneers then scored their third touchdown of the day to keep pace as Laurino fired an 11-yard pass to sophomore Joe Botti at 5:33.

Kutztown scored again at the start of the fourth quarter as Morton fired a 68-yard pass to Troy Foster, who carried the ball down the sidelines and into the endzone.

The Golden Bears put the game further out of reach when Jason Ulmer picked off a throw from Laurino, setting up for a seven play, 74-yard drive that resulted in a 46-yard TD dash from Curtis Wortham to put the visitors ahead, 42-23.

LIU Post scored on their final drive of the game as sophomore Jeff Mack dodged his way into the Kutztown endzone for a 16-yard score with 45 seconds remaining in regulation.

GAME 9
Oct. 29, 2011 – Redman Stadium
LIU Post 24, Bloomsburg 21

BLOOMSBURG, Pa. (Oct. 29, 2011) – The LIU Post Pioneers scored two late touchdowns and handed No. 2 Bloomsburg its first loss of the season with a 24-21 victory in a snow-covered PSAC East football clash Saturday afternoon at Redman Stadium.

The win for the Pioneers is the first-ever in five games against Bloomsburg since the first meeting in 2007. It is also the first time the Huskies have lost a conference game since a 30-14 loss to West Chester on Oct. 31, 2009. The highest-ranked team the Pioneers have beaten in recent memory was the NCAA Second Round game against Shepard on Nov. 19, 2005.

On the stat sheet, LIU Post had Bloomsburg beat in nearly every big offensive category, including first downs (LIUP-25;BU-12), offensive yards (LIUP-459;BU-279) and rushes (LIUP-56-265; BU-43-208).

Redshirt freshman Steven Laurino completed 12 of 27 pass attempts for 194 yards and one touchdown. Laurino also added 75 yards of rushing toward his total output for the day.

Sophomore running back Jeff Mack rushed for a career-high 183 yards and scored two key touchdowns in the third and fourth quarter that put the Pioneers in line for the win.

Playing against a team that is averaging 38.5 points a game, the Pioneer defense made the Huskies work for every yard and point in the heavy snow, holding them to 279 total yards, including 71 in passing.

Senior defensive lineman Lou Scala led the team with 10 tackles, 1.5 sacks and a fumble recovery. Junior Antonio Powell-Fields and sophomore Casey Biasi provided outstanding support on special teams as each made interceptions in the game to keep the Huskies off-balance.

Bloomsburg scored the game's first touchdown early in the first quarter when Franklin Quiteh broke for a 70-yard run at 13:50.

The Pioneers added a field goal in the quarter when freshman Marc Montana kicked a 27-yard attempt through the uprights at 9:12.

LIU Post took a 10-7 lead in the second when Laurino completed a pass to junior wide receiver Ryan Derham at 13:20.

The Huskies were back on top, 14-10, in the game after Quiteh scored his second TD of the game on a 5-yard run at 8:29.

The Huskies kept pushing down the field in the second half and it looked as though they were putting the game out of reach after scoring their third touchdown of the game on a 7-yard run from Eddie Mateo at 6:26.

But LIU Post scored in its next drive on a 6-yard run from Mack, who had already racked up 29 yards on four previous carries in the series. This cut the lead to 21-17 in favor of the Huskies with 3:10 to play in the third.

The Huskies couldn't move the ball into the LIUP 20 in the fourth and punted the ball back to the Pioneers with 11:57 to go in the game. The visitors pushed the ball down on a 13-play, 80-yard drive and pulled ahead with Mack's second TD on a 3-yard carry with 6:54 left to play.

The game was not without drama, particularly with the snow affecting visibility and the field surface.

Bloomsburg got no further than its own 31 before punting the ball in its next drive, but got another opportunity after Justin Rivera recovered a fumble at the Bloom 45. Still, LIU Post's defense held off the Huskies from getting into the red-zone. And on fourth down, quarterback Pat Carey's pass went incomplete thanks to Biasi on the break up.

The Pioneers struggled to eat up the clock in their final drive of the game and were forced to punt the ball with 1:27 to play, allowing the Huskies the chance to score with the ball on their own 29. But Bloomsburg was unable to capitalize as Carey's first pass attempt resulted in a sack, followed by an incomplete pass. His third attempt was picked off by Powell-Fields, who returned the ball 16 yards to the Bloom 43 to ice the win.

Carey finished the game 4 of 15 attempts for 72 passing yards with two interceptions and three sacks. Quiteh led the Huskies in rushing with 140 yards and two touchdowns. On defense, Jarrett Pidgeon led with 12 tackles.

GAME 10
Nov. 5, 2011 – Hickox Field
LIU Post 42, Cheyney 27

BROOKVILLE, N.Y. (Nov. 5, 2011) – Freshman quarterback Steven Laurino threw for 156 yards and four touchdowns, as he led the LIU Post football team to a 42-27 win over visiting Pennsylvania State Athletic Conference foe Cheyney on Saturday afternoon. C.W. Post improves its overall record to 6-4 and 6-1 in the PSAC East, clinching a share of the PSAC East title with Kutztown.

Laurino tossed a 21-yard pass to Ryan Derham to open the scoring in the first quarter as the Pioneers opened the game with a 7-0 lead.

The Wolves knotted the game at 7-7 on quarterback Chris Anderson's five-yard run just three minutes later in the first quarter.

The Pioneers pulled ahead on a 27-yard Laurino connection to sophomore Joe Botti, putting LIU Post ahead 14-7.

Cheyney responded yet again with another Anderson keeper that resulted in a 1-yard TD run, but the Wolves missed the PAT and the Pioneers held a 14-13 lead.

LIU Post increased its lead to 21-13 with another score before the half on a six-play, 67-yard drive, as Laurino connected with his third different receiver of the half, this time a 38-yard heave to sophomore Kyle Hardy.

The Pioneers accounted for all the scoring in the third quarter, as sophomore running back Jeff Mack turned in a 57-yard touchdown run and fellow sophomore running back Anthony Brunetti caught a four-yard pass from Laurino, giving the hosts a 35-13 advantage as the third quarter wrapped up.

Sandwiched between two Cheyney fourth-quarter scores was a 56-yard Laurino TD run, as the Pioneers held the Wolves at bay for the victory.

Offensively, in addition to Laurino's 156 passing yards, he rushed 14 times for 74 yards while Mack ran the ball 22 times for 164 yards. Brunetti was the Pioneers' top receiver with three catches for 41 yards as Laurino distributed the ball around to seven different receivers during the game.

On the defensive end, Anton Rukaj led the Pioneers with 10 tackles, while Kadeem Huggins registered 2.5 sacks on the afternoon.

For the Wolves, Isaiah Fleming made 11 tackles on the day, while Anderson threw for 160 yards and Prince Stewart had seven receptions for 71 yards.

Gannon put two points up when Chris Cook blocked the PAT and Khayree Connors returned it for a defensive PAT.

In the fourth quarter, the Pioneer offense continued to control the ball well. Laurino completed his second TD pass of the game to sophomore Joe Botti at the 10-minute mark.

Gannon got one more score on the board as Szczupakowski kicked his second field goal from 28 yards out at 8:44.

PENNSYLVANIA STATE ATHLETIC CONFERENCE

Originating in 1951 to administer and promote men's athletics, the Pennsylvania State Athletic Conference has evolved into one of the NCAA's most heralded intercollegiate conferences.

The first major step came in 1977, when based on a growing interest, the league reorganized to provide a structure for its women's programs. Only three years later, lacking a standard competitive division, league voted to reclassify the entire conference to NCAA Division II.

Among its recent enhancements the PSAC has expanded its membership twice during a four-year span. The first occurred during the 2008-09 academic year with the addition of full-time members Gannon University and Mercyhurst College, and associate member Long Island University-C.W. Post. Over the past year, the PSAC's Board of Directors agreed to welcome Seton Hill University as an associate member to begin play in field hockey during the 2011-12 campaign. The membership now consists of 16 full-time institutions and the two associate members.

All of the league's full-time members are located within the Commonwealth of Pennsylvania, which makes the PSAC the largest one-state conference in the NCAA. The league has also grown to share the distinctions as: The largest conference in Division II, the largest football-playing conference in the NCAA, and, with 23, the conference that sponsors the most championships at the Division II level.

Highly competitive on a regional and national level, PSAC schools annually combine to send nearly one-third of its teams into NCAA postseason play. Ultimately, the membership's success has yielded 43 NCAA team and 246 individual title winners.

While proud of its athletic accomplishments, the league also has evolved into one of Division II's finest from an academic standpoint. Today, nearly one-third of the PSAC's estimated 6,300 participants are honored each year as "Scholar-Athletes" for maintaining a grade-point average of 3.25 or better - a total that has nearly doubled since PSAC Scholar-Athletes were first recognized in the mid-1990s.

Although all 16 current institutions are members of Division II, seven league schools also compete at the Division I level in select sports. PSAC schools enroll over 127,000 students and claim over 710,000 alumni, including 483,000 who reside in Pennsylvania.

The PSAC is governed by the presidents of the 16 member institutions. It employs a commissioner, an associate and assistant commissioner, and a director of media relations at its headquarters in Lock Haven, Pa.

For more than a quarter-century, some of the greatest LIU Post football players in the school's history have been acknowledged for their efforts with enshrinement in the Pioneer Football Hall of Fame. In 1993, the 1973 Lambert Trophy winning unit received the unique honor of having the entire squad inducted to celebrate the 20th anniversary of their achievement.

The qualifications for election into this distinguished group are as follows: a player having a standout career during his time at LIU Post, an administrator who has made significant contributions to the sport, a contributor to the program, or a former player who has distinguished himself in his professional field after graduating from LIU Post.

LIU POST ATHLETIC HALL OF FAME

The LIU Post Athletic Hall of Fame, which was founded in 2005, honors those who have contributed significantly to LIU Post's athletic program. Inductees are recognized for their contributions as individual athletes, as members of a team, or for other unique contributions.

Individuals or teams are eligible for nomination if they have been named "All America," have won an NCAA national championship, set a world record, led the nation in a recognized statistical category, succeeded as a professional athlete, participated in the Olympic games or otherwise distinguished themselves and the campus through athletic achievement. Eligibility begins five years after the athlete has graduated. LIU Post coaches, administrators and staff are also eligible for consideration.

The inductees are chosen by a Selection Committee of at least eight members who include LIU Post coaches, alumni and Athletic Department staff.

David Steinberg - President, Long Island University

Dr. David J. Steinberg, the ninth president of Long Island University, has served the institution since 1985. The son of the late Rabbi Milton Steinberg of Manhattan's Park Avenue Synagogue, he was born in New York City and was educated at Phillips Academy at Andover, Malvern College in England and Harvard College, from which he graduated magna cum laude and Phi Beta Kappa. After a Fulbright year at the University of the Philippines and a year at Columbia University on a Woodrow Wilson Fellowship, he returned to Harvard, where he earned an M.A. in East Asian studies in 1963, and a Ph.D. in history in 1964. Dr. Steinberg also has received several honorary degrees.

He began his teaching career in the Department of History at the University of Michigan, where he rose to the rank of full professor. In 1973, he joined the administration of Brandeis University as executive assistant to the president, becoming vice president and university secretary in 1977.

The author of numerous books and articles on Southeast Asia and, in particular, Philippine history, Dr. Steinberg has taught, lectured and written about this important area of the world for a third of a century. His first book, "Philippine Collaboration in World War II," won the University Press Award in 1969. "The Philippines: A Singular and a Plural Place," now in its third edition, was described by U.S. Ambassador to the Philippines Nicholas Platt as "the best single-volume guide to understanding the Philippines, past and present." He also edited and co-authored both editions of "In Search of Southeast Asia," one of the major textbooks on the area. Dr. Steinberg recently collaborated with top scholars from around the world to co-author "The Emergence of Modern Southeast Asia," a new and multifaceted history of this complex region. In addition, he is a co-author of "Religion and Religiosity in the Philippines and Indonesia: Essays on State, Society and Public Creeds," which was published in 2005.

Dr. Steinberg was a member of the international observer team that monitored the Philippine presidential elections when Corazon Aquino defeated Ferdinand Marcos. He has written numerous op-ed pieces and has been a consultant to UN agencies, the United States government, the Ford Foundation and others.

He and his wife, Joan, a chanteuse and real estate executive, reside in McGrath House on LIU Post's campus. The couple has two Cavalier King Charles spaniels, whom they sometimes bring to football games on campus. His greatest personal accomplishment: raising his two superb sons, Noah and Jonah. His greatest pleasure: watching his grandchildren grow.

Paul H. Forestell - Provost, LIU Post

Paul H. Forestell, a professor of psychology and an internationally renowned marine mammal scientist, was appointed provost of the LIU Post Campus of Long Island University in July 2008. A seasoned administrator, Dr. Forestell served as vice president of the Pacific Whale Foundation in Hawaii, as dean of undergraduate programs at Southampton College of Long Island University, and as associate dean of the College of Liberal Arts and Sciences at LIU Post.

As provost, Dr. Forestell leads one of the New York metropolitan area's most respected private university campuses, with an enrollment of nearly 5,700 undergraduate, 3,100 graduates and 2,300 continuing education students. He is responsible for campus operations, program development, admissions and recruitment, retention, financial aid, athletics, student affairs, public safety, and buildings and grounds.

His collaborative leadership style has contributed greatly to enhancing the student-centered mission of the University. In 2008, Dr. Forestell established the Division of Student Retention & Academic Support Services at C.W. Post to assist students in achieving academic and career success. A champion of experiential learning, he coordinates study abroad and field research opportunities for students, and teaches classes in whale and dolphin behavior.

Dr. Forestell graduated from the University of New Brunswick in Canada with a bachelor's degree in psychology and philosophy in 1972 and a master's degree in experimental psychology in 1976. He earned a Ph.D. in comparative psychology from the University of Hawaii in 1988. He is the author of several peer-reviewed science articles and four books, including "Humpbacks of Hawai'i: The Long Journey Back."

BRYAN COLLINS - DIRECTOR OF ATHLETICS

Bryan Collins enters his seventh year as the Director of Athletics at LIU Post. Under Collins' leadership, the Pioneers' athletic programs have seen a continual rise in both the regional and national levels of athletic performance and academics.

Notable achievements during his tenure include 29 conference titles as well as NCAA championship titles from the 2007 and 2012 women's lacrosse teams and the 2009 and 2010 men's lacrosse teams.

This past season, the men's and women's cross country, men's soccer, men's and women's basketball, women's swimming, women's lacrosse and softball all participated in NCAA tournaments.

LIU Post boasts some of top-ranked programs in the country that are frequently ranked in national polls. The Pioneers finished first in the East Coast Conference Commissioner's Cup standings for 2009-10 - the second Cup win (2006-07) during Collins' tenure. Prior to the 2007-08 academic year, the football and field hockey programs gained admission into the esteemed Pennsylvania State Athletic Conference.

Off the field, Collins has included community service as a part of his players' responsibilities. During the 2011-12 academic year, LIU Post student-athletes completed a department record 3,484 hours of service. He currently serves as the Chairman of the National Kidney Foundation – Long Island Kidney Walk.

Collins is responsible for the creation of a department mission statement based on the foundation of athletic excellence as well as the initiation of the Academic Commitment Excellence (ACE) program, designed to improve attendance and academic achievements in the classroom. In addition, LIU Post athletic programs are mentored by campus faculty and staff through the Adopt-A-Faculty program.

In 2007-08, Collins established a Student-Athlete Orientation seminar and handbook as well as an annual student-athlete recognition dinner to recognize both athletic and academic success. The department also established an Academic Honor Roll to honor student-athletes' who receive a minimum 3.0 grade point average.

In addition, Collins serves on the East Coast Conference Executive Committee and is also involved with the NCAA/ADA Mentoring Program. He currently serves on regional advisory committees for men's lacrosse and baseball.

Collins has overseen improvements to the athletic facilities on campus, including the installation of FieldTurf on Hickox Field as well as a brand new state-of-the art sound system for the stadium. In addition, all of the outdoor athletic fields have undergone improvements to their playing surface. The Pratt Recreation Center Gymnasium, home to the basketball and volleyball teams, received a new sound system as well as a working press row table for media and game operations staff.

Collins' biggest undertaking yet has been overseeing the Pioneer Spirit Campaign to raise funding for the brand new outdoor stadium complete with brand new seatback bleachers, which will break ground following the 2012 football and field hockey seasons and open in Fall 2013.

A former student-athlete at St. John's University, Collins played linebacker on the Red Storm's football team and was the recipient of the Dr. Peter Vitulli Award, given to the St. John's student-athlete who demonstrated the most courage, perseverance, dedication and spirit of self-sacrifice in seeking to attain the highest ideals of sportsmanship. Collins received his bachelor's degree in Business Administration in 1987.

Collins and his wife, Patti, reside in Sayville, N.Y. with their son, Tyler (17) and daughter, Megan (12).
